Here I have a classic car in good condition for year and only 1 of only 2 on the road today has had major work done take a look at the pictures have lots more but can't upload anymore has Mot drives great and gets lots of attention when driven was going to upgrade car different alloys etc....has updated interior from C2 but have the original interior, change of plans so here for sale very rare Car and collectable. 56000 miles lots of service history with car very cheap insurance. Great for classic car.....
