Bike is in immaculate condition and has very low mileage. Kept in a warm garage the bike has been loved.

Serviced yearly with all documentation to complete history.

Averta Alarm.

New battery 2017.

MOT due 5 May so if sold before then it will have a new MOT earlier.

One slight blemish on rear fairing where last owner had bike, slight wear to the rear right decals, as seen in photo.

Full insurance required before test ride or money in my bank account for obvious.
