

## **July Evening Airshow (14 GBP)**

Location **East of England, Bedfordshire** https://www.freeadsz.co.uk/x-587588-z

best to see the Edwardian aircraft if the weather is calm and favourable enough for these incredible aircraft to take to the skies. This unique collection of aircraft from the early and pioneering years of aviation are quite unlike any found anywhere else in the UK and really have to be seen flying!

Classic flying evenings at Shuttleworth have a relaxed atmosphere, and are where the light can be at its

With typical evening summer light excellent for photography, on site refreshments will be available including a bar. There's a free Swiss Garden tour available and our vintage buses will be running for free passenger rides.

Take advantage of the lovely summer weather to stay over at Shuttleworth's camping and caravan facilities, and enjoy a whole weekend of entertainment with discounted entry to The Collection and Swiss Garden on non-event.
