You are certainly familiar that the wood stripping in a renovation project is time consuming activity and includes risks while choosing the right stripper; stripping tools; eye, skin and lung protection and lots of space...This is why you have to choose a professional team that will take care for your furniture from collection to delivery!

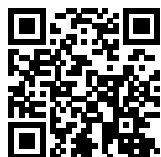

At Old Door Stripping, we strip a wide variety of wooden and cast iron items, including doors, tables, furniture, shutters and fireplaces, made of pine, pitch pine and beech wood to oak, walnut, elm and satinwood. Our philosophy is to provide high standard stripping service with excellent and timely customer service at competitive rates.

At Old Door Stripping, you will find a colorful portfolio and solution for all your restoration.
