I have a shop on Orchard Street and a one bedroom flat above the shop for rent in the heart of Weston Super Mare.

(You could use it as 2 bedrooms and use the shop as a lounge Depending on what you are using it for)

The Flat and the shop are very well presented. The flat has a brand new kitchen, double electric oven, tumble drier, washing machine, dish washer, all modern con's.

The bathroom is lovely with cream tiles, modern shower and a jacuzzi.

The hallway is yellow, and has laminate flooring leading into the 2 rooms in the flat.

The rooms are quite spacious and can fit in a double bed or kingsize if preferred with ease.

The doors are oak veneer on each room.

The shop has dark laminate flooring, lots of different lighting to choose from, a bar area, a stage area and lots of seating if needed. The shop has a rhino whole house water filter fitted which filters the water in the shop and the flat.

There is also a brand new kitchen fitted downstairs behind the shop area (this space leads up to the flat)

Viewings are recommended early as I don't think this will take long to rent tbh in the condition that it is in.

A month's rent will be needed upfront and a deposit..

For any queries please do not hesitate to contact me..
