Local Band based in Crich is looking for new member musicians, I would like to bring to people's attention that in Crich we have a thriving brass band. The band meets every Friday evening at 7pm and we play until 9pm. We actively encourage new members of all ages and all brass instruments. Currently our youngest member is about 18 and our eldest is 75. Musical ability is not a problem as we accept complete beginners and those returning to music after a long absence who wish to start again. All instruments are welcomed but we are short of cornet, flugel, Euphonium, baritone and Eb horns. The band is a community band that plays in local venues throughout the year. We do not enter competitions etc. Advice can be given to players who want to go on to play at a higher level. Please contact Les Dorey if.
