

Ford Focus 2010 (2,595 GBP)

Location **South West, Cornwall**
<https://www.freeadsz.co.uk/x-591411-z>

Full ford dealership service history
MOT 2019
Reversing sensors
last cambelt and water pump change was 120k miles
mot history is outstanding through good servicing.
1 owner before me
Bad points: service this year said to change battery currently at 70% life, passenger side headlight replacement as a clip inside for securing dipped bulb is broken and currently secured with electrical tape.
