Hello,

I am offering household services for the whole of London. I am currently doing a masters but I am trying to establish my household business on the side and would love to build up clientele so I thought I would give this a go.

I offer services that include the following:

Cleaning residential or private properties  
 Mail waiting  
 PA services  
 Child minding  
 Picking and dropping kids off at school  
 Food preparation  
 Personal Shopping (Groceries or Clothing)  
 Launderette and Dry Cleaners pick up and drop off.  
 Dog Walking  
 Pet Sitting

My services are for the time poor and I also work on weekends.

I cover north, south, east and west London and I am based in west London. I am available to start ASAP.

It is my job to make your life easier through attending to what you can't.

I am really trying to build a brand and be a successful business woman so I was hoping to start here for

some exposure and more experience.

I am a very dedicated and cheerful person at £11 an hour I can clean your house as well as work at a part time business. I am one who can help you out but looking for a job and as I am a business woman I can help you to help you to help you.
