Lovely corner unit painted in chalk paint, waxed and distressed by hand. Two shades of grey have been used which give this piece a beautiful shabby chic look.

Dimensions h 178cm x w 86cm x d 40 cm

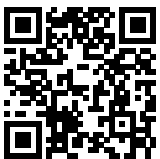

As with all Vintage or previously loved furniture there may be a slight mark or bump here or there, which may hardly show and only adds to the beautiful Shabby Chic feel. If you prefer a factory finish this may not be the style for you. Please see the photos which don't really show just how lovely this piece is and if you have any questions please feel free to ask.
