Specification
 Specification
 We are a national house builder with a local approach to building your new home. We will provide you with the specification appropriate to the locality of your selected new home and development and we will explain the choice of external materials used, for example your brick colour and roof tiles. You will be able to select certain elements of the fixtures and fittings encompassing the latest designs from leading manufacturers, subject to the stage of build of your chosen home. If you wish to further personalise your new home, an exciting range of options is available to purchase from our Finishing Touches scheme. Our experienced sales team is on hand to guide you through the choices available to you depending again on the stage of build.

Quality Assured
 Your new home will be built in accordance with all relevant technical and building regulations, in particular the Government's Code for Sustainable Homes. In addition all stages of the construction of your new home will be inspected by our experienced construction staff. On completion of your new home we will provide you with a quality assured certificate for you to keep.

10-year NHBC (or equivalent) Warranty
 A 10-year warranty is provided with every new Persimmon Homes home. A comprehensive guide explaining the warranty will be supplied to you. We will ensure warranties provided by the manufacturers of appliances are honoured for the first year of occupation. Our Customer Care Department is on hand to offer you the necessary guidance and assistance.
