3.5 ton horse lorry - project, Ford transit lorry, can be driven on a normal licence. Has mot until end of Sept, is still in regular use. The engine is sweet and starts first time. This is a project. It needs alot welding to the cab and other cosmetic bits. Has partition in place. My intention was to tart it up, but due to my current situation I am unable to do so. £1,200.00, Weston-Super-Mare.,.
