iPhone 6 16gb unlocked VGC, Quick sale needed as I have Samsung S6 Edge. Hi I'm selling my iPhone 6 16GB unlocked to all networks, it isn't a contract phone, have receipt as proof, it is about 2 months old, has about 10 months warranty left on it, comes boxed with charger unused headphones and user manual, sim pin. The iPhone has a tampered glass screen protector on, since brand new so there is no marks on the screen or the back. Not looking for no swap just a cash sale. No time wasters please.
