Audi TT 225 In beautiful original condition., Audi, TT, Silver, 2001, 88800, 3 doors, Coupe, Manual, Petrol, 1781, ABS, Alarm, immobiliser, alloy wheels, CD player, central locking, electric mirrors, electric windows, power steering, radio, airbags, spoiler, Hi, I have for sale my Audi TT which I have owned since July 2011. It has covered 88,800 miles. This car is in beautiful condition throughout, it dives faultless and has been maintained to a high standard. There's nothing to hide with this car, it has just passed it's MOT and I will have a service carried out before purchase. The previous owner owned for over 7 years and I have owned it for over 4. It comes with full nappa leather in lovely condition, 6 disc bose music system, heated seats, xenon headlights and more. There is service history with the car which includes in its last 'major' service:- Front Pads Front Discs Rear Pads Rear Discs Front and Rear Springs Bushes Timing Belt Water Pump I have recently had the airbag module, lambda sensor and mass air flow sensor changed. I purchased the Audi as a second car so it has only been used on weekends and the odd couple of journeys on weekdays so since purchase in July 2011 it has only covered 7,000 miles. If your looking for a Audi TT in original, unmodified condition then its well worth viewing this one. Number plate not included. Please feel free to call me anytime for further photos or any questions you may have. Thanks for viewing Shane 07946761325 £3,800.00 ono, Abertillery, 07946761325. Call: 07946 ... Click to reveal!
