Ducati Multistrada 1200 S Touring, Red, 2010, 11107 miles, About the Ducati Multistrada 1200 S Touring, 2010 10 Reg Ducati Multistrada 1200 cc 1200 1200 S TouringRED, Nice example. The Ducati Multistrada 1200 S looks set to redefine not just the 'adventure bike' or 'tall-rounder' class, but motorcycling in general. The base package (detuned 1198 V-twin, chassis bristling with Ohlins and Brembo, loads of equipment) is good enough in itself to top the segment. But what truly takes the Multistrada to another plane is its revolutionary 'riding mode' system which adjusts power delivery, suspension set-up and traction control at the flick of a switch between 'Sport', 'Touring', 'Urban' and 'Enduro' modes. The Ducati Multistrada 1200's new Testastretta 11degree motor is based on the 1198 V-twin but with reduced valve overlap for a softer, meatier delivery and has a host of mods including wet, slipper clutch, new Mikuni ride-by-wire to allow riding modes, and softer compression. In 'sport' mode, the Ducati Multistrada 1200 handles truly like an 1198 superbike (albeit one with a high up riding position and wide bars): in 'enduro', it's tolerable off-road, with everything in between. The Ducati Multistrada's unique adjustability means anything (almost) is possible. Awesome!
