Beauty treatments and Laser hair removal specialists, Spa is Coventry's premier beauty salon. Whether you're looking for relaxation, beauty essentials or a gift for someone special our spa designed treatment rooms will ensure your time spent with us will be of a quality performance in tranquil surroundings. We use the market leading laser machine which offers maximum results with minimum sensation and the gaps between treatments are generally longer as the technology is second generation and patented. Spa treatments are broken down into sections available in the clinic on the ground floor. The luxury day Spa on the first floor houses relaxation facilities with an infra red sauna to provide you with the best of both worlds for all your beauty needs., Coventry,.
