115 Hp Mercury Outboard engine Fully Rebuilt, I have for sale a Mercury 115 hp 6 cylinder two stroke engine, Includes the tilt and trim pump and wiring. and brand new mercury top mount control unit..suitable for a large fishing boat or a speed boat from 15 foot up to 20 feet and more.The throttle and gear cables New and the wiring loom..along with the battery wires are present
COLLECTION ONLY I HAVE NO PALLETS NO PACKING MATERIAL. SO COLLECTION ONLY.
I have a lift to remove the engine you will need a large van or road trailer.The engine has been FULLY rebuilt by a marine mechanic so everything that needed doing has been done The compression across the cylinders are 130 to 135.The details of the marine mechanic will be given to the buyer The engine has been winterised as I was going to get the boat sorted out then start on the engine fittings.So everything has been coated in some sort of fogging oil.Need more information or photos please be so kind as to Email me..The rebuild of the engine so I have been told By The marine mechanic that carried out the work for me.The cylinder head was stripped and skimmed the cylinders were bored and honed.2 pistons were replaced along with rings.The bearings were cleaned and replaced where requiredThe water jacket was replaced The impeller was renewed the gear box was fully striped and some parts replacedNew gaskets throughout. The carbs were stripped and cleaned and then the engine was tested and the cylinder readings were 130 to 135 across all cylinders.The whole of the engine was greased and fogging oil was used as I was not intending to use the engine this year.The tilt and trim system was rewired and tested.There are not many other engines that can boast the fact that they have been Fully rebuilt...Any other questions please ask.The Boat is also for sale and the twin wheeled trailer but at extra costs.Need details please email me.. Price OVNO £1,200.00, Southampton.,
