Graco baby swing/rocker, Great condition. On Amazon for £200. Graco SweetPeace Swing - DreamThe Graco Sweetpeace Swing uses innovative, patented motion technology to simulate a mother's real soothing movements to help relax little ones. The motion moves baby from side to side, in the same cradling motion that parents do, as opposed to just backwards and forwards like most other soothers. This helps to make baby feel especially comforted. As well as featuring six speeds, the two-speed vibrations tailor the movement to help with all moods, from lively to sleepy. Your baby can be kept amused with an MP3 plug-in connection. Along with the pre-loaded high quality sounds, this audio experience promotes early learning, as well as a baby tray with mirror, toy, teether and bee-bear soft toy to help baby entertained. Sweetpeace is very flexible so can be used as a soother or standalone rocker. It features three comforting recline positions, including an elevation position. £70.00.,.
