

Band Management company based in Central London looking for bands and solo artists to manage

Location **London, London**
<https://www.freeadsz.co.uk/x-162131-z>

Band Management company based in Central London looking for bands and solo artists to manage. If you are a band or solo artists that have been trying to break into the music industry, but have not been successful because of how closely knit the industry has become, then look no further all you need do is contact us via email and send your mobile number to us along with musical material that you have i.e. face book YouTube etc. Must have original songs and own the full rights to them. Only candidates with contact details will be considered.,,
