Managed Business Support & PA Service, Your confidence in your Virtual Assistant is important. PAYG and retainer packages available. Whether your business needs administrative support, last minute scheduling or flowers that say, "I am thinking of you", Managed Virtual Assistant will provide the services you need at a moment's notice. From the time you contact me by phone, Skype or e-mail, I will treat you with respect and provide you with excellent customer service. I will ask you detail oriented questions that will make you feel confident in my ability to complete your project. What you think and how you respond to me is vital to my success with you. When you make the right decision, you feel comfortable and relaxed. I communicate confidence within the first few seconds by listening to your needs and sending the correspondence that summarises your project guidelines. Once the project is completed, I will send you a detailed explanation that represents the project guidelines have been completed to your specification. Fancy a chat, call me now., Coventry.,
