))**F1 B American Bloodlines*DNA/PRA Clear,Ready Now 6 Beautiful Cockerpoo Puppies!, Male & Female, 1-3 months, various, Stunning F2 Cockapoo male puppy. He has been health checked, microchipped and had his first vaccination and he is ready to leave now for his forever home.Both parents are our family pets and have super temperaments. Mum is an American Cockapoo and dad is a black "phantom" English Cockapoo. Both have been genetically tested normal/clear by Optigen in the USA for PRA and therefore the puppy will never suffer from this genetic eye condition.The puppy has a wonderful temperament, is very affectionate and loves to play. He is well socialised having been born and raised in our family home and therefore used to normal household noises and being cuddled and played with.He low shedding and low dander and his coat is beautifully soft.He will come with a puppy pack consisting of 4 weeks free insurance with Petplan, a 2kg bag of food, Royal Canin Mini Junior, to ensure consistency in his diet, a bowl, a blanket with familiar scents, a toy and a brand new book on raising and training a puppy, ideal for first time owners. £365.00, Middlesbrough,.
