

XP Deus Remote Controller

Location

Wales, Clwyd<https://www.freeadsz.co.uk/x-162404-z>

XP Deus Remote Controller, Xp deus remote with new leather case and has 3.2 Software installed This can be upgraded if/when a new release comes out by XP and I believe version 4 software is on its way. This was purchased last summer but because of a hip problem I have had to give up the hobby. The unit has barely been used and is in "as new" condition, it still has the original screen protection film on it. Completely unmarked and in first class working order. Ready to pair with your coil. Clip on type connector, not the older magnet style. I have a 100% feedback on Ebay on over 900 transactions check me out rick4shaw. Item can be collected or will post fully insured for £10 I will accept Cash/Paypal/Bank Transfer., Neston, 0151 336.
