SarahK Mobile Hairdressing, Fully qualified in all aspects of hairdressing to level 3 standard. I have over 17 years of experience and specialize in creative cutting and colouring. I also specialize in wedding hair and enjoy making your special day perfect and nothing is too much trouble. I enjoy all aspects of hairdressing and enjoy the freedom that mobile hairdressing gives me. It means you get the one to one service that can be lacking in a salon. I use all professional products from the Wella range that give you 100% grey coverage. I have a mobile shampoo basin for the customers who enjoy the salon experience but in the comfort in your own home at a time that is most convenient for you. I work Tuesday to Saturday from 8am to 8pm and very willing to work Mondays in special cases. I am on facebook and can take appointments through private messenger or you can call or text me as I understand everyone is busy. If you have any questions or would like information on wedding packages please don't hesitate to call me. I look forward to meeting you !, Alfreton,.
