Mountain Buggy Duet - Double Pushchair + Storm Cover + Single Travel System (Maxi Cosi), This is the compact side-by-side Mountain Buggy - just 63cm wide at the wheel base. The duet is very easy to manoeuvre and fits through all doors I have encountered! It folds easily and is actually more compact when collapsed than our Quinny. Closed Dimensions (cm): W 63 x D 32 x H 96! It is in very good condition with only one slight knock in the foot plate and retails at £579 brand new with no accessories. This lovely double buggy also comes with: â€¢ The Mountain Buggy Storm Cover â€¢ A single travel system for a Maxi Cosi or a Pebble car seat (rear-facing). It can also hold dual carrycots or a second travel system, making it the perfect buggy for twins! (not included) â€¢ Suitable for newborn to 4 years, twins or siblings - we used it for a newborn + 18 month old until they were 3 and 4 and ½. â€¢ Large, individual sunhoods â€¢ Double reclining seats - you can lie them individually / both reclining or flat (as Polar Bear is trying to model in the photo!) â€¢ Fantastic storage area under the pram â€¢ Bottle holder â€¢ Height-adjustable pram handle â€¢ Air-filled quick release rubber wheels with 2 modes - fixed straight or swivel â€¢ Maximum individual seat load - 18kg Colour: Black £295.00, Littlehampton,.
