Stonham Barns Sunday Car Boot + LOCO German Car Show from 8am on 13th September 2015, This Sunday we have the Stonham Barns Sunday Car Boot from 8am and Loco The German Car Show so, we will have another good crowd of buyers. If the weather's good Stonham is a great place to sell & you won't find a friendlier Car Boot and such a friendly buying crowd plus there are always great bargains as we are renowned for our one off novice sellers. We are also on the Coastal Route & at this time of year have the Campsite and Holiday Homes full up and filled with Car Boot lovers and so many visitors to the Attractions and shops. We have moved sides at Stonham so we have more room for sellers with no width restrictions. If the sun comes out Stonham Barns Sunday Car Boot is so popular. After the Car Show we have the Retro Dub Show on the 27th which is going to be packed and is a must sell at event. From what I hear there will be 3500 people staying at Stonham who will be there to buy at the Car Boot. Remember, you can just turn up and sell from £5. Covered Stalls (£10) can be booked on 07817539168 (these come with a table). Bookings are held till 9am. When the events are on please note that you can still sell at the Car Boot from £5! and we are next to where all the buyers and visitors to Stonham park. Also, if it rains we have the covered stalls so, we always try and open. Something I will add, which I think is important, is the fact that you can sell without the fear of things being stolen or being pestered whilst setting up. I hear that this is a problem at so many Car Boots but, we have a friendly Traditional Car Boot which attracts all ages and a great atmosphere. Everyone is welcome to sell at the Car Boot but we have a slight restriction whereby we don't allow Vans full of flowers. We allow small vans/cars selling plants grown from home but, they will need to be part of a variety of things sold. Anyone selling old gardening tools etc is fine. Call me if unsure. It's just common sense you just need to bring a variety rather than a van full of just flowers.

Stonham Barns Car Boot is still the one to go to if you want a completely stress free day without the hassle of going into town to sell your old items. Of course as with any event that you can set up with a bit of passion by buyers it's the same™ and at Stonham the atmosphere is great and for a Car Boot it's been three years and it's probably the best Traditional Car Boot that attracts so many Antiques and Collectors sellers. We are friendly but we have the shops in the evenings and people get a good crowd. Dogs are welcome and we get a great mix of all ages. Make sure you pop by whatever you are doing as we do get a great mix of people. <https://www.freeadsz.co.uk/x-163060-z>
