UK registered scooter Lambretta GP125 gp150 learner, Up for grabs is my SIL Lambretta GP150 registered as 125cc. It has full mot to 28th July 2016 and has done 1200 miles in the last year. This is a 1985 scooter with authentication letter from Lambretta club GB Lambretta GP150. It was registered in 2006 as a 125. It was on the road for a year in 2006 and then not used until 2014 when it was recommissioned as a rally going scooter covering 1200 miles from July 2014 to April 2015. It has had new cables and has been treated well. It starts first or second kick even when having been left for weeks. It runs well and is really quite quick, I was told by former owner that it may have a 185 kit on but I have no way to confirm this. There are only 2 former owners since UK registration. The clock is showing 1639 miles. £2,200.00, Whitley Bay,. Call: 07044 ... Click to reveal number! Seller is using a privacy number - more
