Four bedroom house wanted to rent, Semi-detached House, Unfurnished, 4 Bedrooms, 1 Bathroom, central heating, garden, My husband and I need a four bedroom (minimum) house to rent in the Hastings area, although slightly further afield would be of interest. We are looking for a quiet area to live in, detached, semi-detached or terraced is fine. Must have a garden as we have children and cats. Landlord would need to accept local housing allowance, as we are in receipt of benefits due to the disability I have. We can provide references, deposit, and possibly a guarantor if needed. We can afford a maximum of £1000pcm, and can provide proof of income and outgoings to show we can satisfy the rent top up, if rent is over £850pcm. We could provide a larger deposit if needed, due to us being in receipt of benefits and having cats, we understand this is a common requirement. We need a minimum of four good sized bedrooms, five would be preferable. We would not accept a courtyard, or living in a busy, chaotic area. Must have GCH, must be unfurnished as we have our own furnishings, and it would be preferable to be able to bring our oven with us. £1,000.00 month, Hastings,.
