Capill-Hair-Kit, CAPILL-HAIR KIT £32.501 Month supply of 120 Capsules and 150ml Lotion Capill-Hair Boosts hair growth, increases hair shaft diameter and helps develop stronger roots for fuller, healthier hair. Thin hair is most often a result of hair follicles lacking access to the nutrients they need. Either by being blocked from them or by there simply not being enough of them present in your blood. Capill-Hair works in 3 ways to combat this and restore the hair. 1 ) Boosts the level of hair nutrients in the blood. 2.) Boosts blood circulation to targeted areas of the scalp. 3.) Allows the follicles to regain access to more nutrients by inhibiting DHT. Used daily, Capill-Hair will increase the thickness and strength of existing hair follicles, will not bring back to life dead follicles. buy direct from <https://www.actiderm.co.uk/me/jeanette-thompson/hair/capill-hair-kit/> £37.00, Rotherham, 07977.
