FOR SALE CLASSIC FORD ESCORT ECLIPS, My wife purchased this Ford Escort Eclips special edition in June 2000 it had had only one previous owner. Who like my wife hardly used it, hence 28,256 miles on the clock we have all MOT certificates since we purchased it. It has electric front windows. Central locking, and a Sun roof opened by turning a handle It has Alloy wheels, which I believe are called Pepper pots. It is a very clean and tidy car for it's year. £950.00, Havant,.
