Tunisia - Maisonette and studio - Close to capital city, Two properties in one. A studio and a maisonette. Both properties are connected to mains water, electricity and gas. As you can see from the picture there are 2 front doors, the one on the left is the studio and the one on the right is to the maisonette. Both properties are finished to a high standard, having beautiful tiles and Arabian style windows throughout. This building enjoys various near by amenities; supermarket, cafes, restaurant, lots of takeaways, 2 daily markets; one of which is an excellent flea market, where you will find various items old and new; two butchers, and quite a number of grocery shops usually ran by families. There are near by primary and secondary schools; of course to get to the University, all you need to do is simply walk for just about five minutes from your door to get the tram which runs every five minutes and you will of course be in the capital in 10 minutes tops; I am speaking from experience. This really is a great opportunity for someone to have a home which is close to the capital city and yet is quiet enough for a tranquil peaceful environment. The price is negotiable - around £70,000. Property is in Tunisia - I am currently living in East Yorkshire. If you would like to know more please give me a call., Hull, 01482.
