Ironing services required weekly, Energist UK are a company seeking to offer a cleaning/ironing service to employees, whereby clothing would be picked up from our office for example midweek, and delivered back to the company on a Friday ready for the weekend. Please get in touch if you offer these services and feel you would be able to assist with ironing for an average 10-30 people, and provide us with a quote per hour, or per kg. You do not need to be a company, this is open to individuals / self employed also, what matters is the quality of service and that you can fulfill weekly pick up and delivery. The successful candidate would need to offer a swift and courteous service, including hangers and folded items, on a weekly basis. They would start an initial trial asap whereby we would select 2 employees and once the feedback on the service had been received, it would roll out to all employees. We look forward to hearing from you. Many thanks for your interest., Cirencester,.
