This traditional mid terrace house is situated in a quiet residential street off Clarendon St and the residents in the neighbourhood take pride in their homes where there remains beautiful victorian frontages. Although there are 2 bedrooms, with a bit of forward thinking, there is potential for a 3rd bedroom in our opinion and a rare parking space in a city centre location outside the front door. This property is a very affordable home for the first time buyer and equally as a good investment. We believe the property will not stay on the market for long and therefore encourage serious buyers to arrange a viewing without
