Superb large black sofa, excellent condition, with matching black & white footstool & two cushions., Large, very smart four-seater black sofa, approximately 190cm long (almost 7ft) from arm to arm, of modern design on legs with matching footstool and cushions - the colours would complement most décor colour schemes. The sofa is made from a velvet-soft fabric (which has been treated to help resist dirt and stains, ideal for a family), the seat cushions are firm and the back and side cushions are squishier - it's an extremely comfortable piece of furniture to relax on, particularly when adding a few more cushions in a contrasting favourite colour. Seat height is approximately 45cm from the floor. The feet have had 'easy-glides' fitted to make the sofa easier to move when vacuuming. The items are just over 2.5 years old but have had only light usage in a pet/smoke/child free home and are in genuinely excellent and virtually as-new condition. I love this sofa and am very reluctant to part with it but a recent home move necessitates me getting something smaller. A genuine bargain at just £100.00 for everything! BUYER MUST COLLECT PLEASE (from Kettering) and I'd prefer cash payment on collection. Thanks. £100.00,,.
