WINDOW CLEANING VAN - FULL PURE WATER SYSTEM, Vauxhall, White, 2003, 117000, Van, Manual, Diesel, 1686, ABS, For sale I have my Window Cleaning Van. This van has been used just a couple of times to test the system. The only reason for selling this van is that I do not have time to start another business due to my removals business being too busy. The van has a brand new PURE water system with twin pumps and twin outlet. (2 people can use it at the same time) The water system is a flat 350ltr DI system It has 2 brand new GXTEL 28ft reach poles (3 storey) and 2 brand new 100ft hoses. The van itself has a roof rack for ladders (no ladders inc) It is a 1.7ltr Turbo Diesel and has 117k on the clock. Fresh unopened bag of DI resin The van has been professionally waterproofed using the latest waterproofing technology. The van has MOT until the end of the year but it has been checked out by my mechanic and he has said that it's a very clean van and will sail through the next MOT. This van comes with all you need to start window cleaning on a professional level inc reach poles, brushes, cloths, gloves, reels, 350 ltr water tank, water tester and much more! This system will come with original guarantee from the window cleaning warehouse where it was purchased and professionally installed. The total price this van cost and to supply and fit the water system inc all the gear has set me back almost £4500. I'm asking for £3595 open to very close offers, but I'm not giving this away. £3,595.00, Nottingham, 07043518795. Call: 07043 ... Click to reveal number! Seller is using a privacy number - more
