

Junior Education Magazines, 120 consecutive issues of Junior Education Magazines, from January 1997 to December 2006. A fantastic resource for KS2 teachers (or collector), full of ideas for teaching topics, lessons and information to help learning, covering all areas of the curriculum. I also produced a database, which I have printed off, recording all subject areas, making it quick and easy to find resources. A great collection! Collection only as too heavy to post. Offers will be considered £25.00, Christchurch,.
