Honda NTV650 NT650 V-5 Deauville 05 Shaft Drive V-twin Swap V-twin Harley VN XVS 750cc+ or PX see ad, Honda, Tourer, Petrol, Manual, Honda NT 650 V-5 Deauville, Shaft Drive in Silver. Great little 2005 reg Deauville, clocks show 34700k but Some of this was done in KM as 1st registered in europe, Certified KM-MPH converter fitted in the Uk. It is a Parallel Import, so insurance same as Uk version. Registered in the Uk 2011, First reg / import papers, some receipts and other paperwork + V5c ect are present. Mechanically spot on, Reliable and Bullet proof Honda engine, runs, rides and stops, Brakes / tyres good, recent full oil, fluid and filter change, no messy chain as shaft drive, few sensible mods ie led running + side lights, longer wind-deflectors, additional hand wind protectors, Givi Luggage Rack and top box.. Paintwork is not perfect as a previous owner used in all weathers which rubbed paint, This has been "touched up" although not perfect its not really visible unless close up, worst places are a small patch on side panniers and tank has scratches / wear (covered by tank bag) rear wheel could do with a tidy as some corrosion on this (pictured). It is what it is, a 10 year old bike that has been ridden, it is not mint / showroom condition, pictures may make it look a bit better than it is. Still a great bike that wants for nothing, recent service and has Mot until April 2016, No Tax with these new laws. Swapper / Px'er to collect from Redhill in Surrey, you can tax it and ride it away! Would consider a swap for a large V-twin, Chop, Custom, Cruiser 750+cc (ie: Harley, Intruder, VN, XVS, Hardtail, chop, bobber type thing the bigger & louder the better!) Project Harley / V-twin offers will always be looked at + responded to. Px for lower true value and Projects along above lines welcome as are Classic pre 1990, road legal Trails / enduro / MX 250cc+.
