Apple Macbook Pro 13" (Late 2011 model), Apple Macbook Pro 13" (Late 2011 model). Good condition and fully working. Comes with original box, charger (has a small split at connection point but still works perfectly fine.) and welcome pack (Laptop information and apple stickers.) As shown in pictures above the computer has general wear and tear. There are a couple of small scratches on the aluminium casing and a few small dents on the corners. I have ensured that pictures of all angles have been included in the ad. The laptop has been completely restored and reset, therefore when you receive it you will be able to go through the set up process yourself and personalise it to your needs. If you have any other questions please feel free to ask me. Personal delivery can also be arranged depending on area. Thank you very much. £350.00, Wotton-Under-Edge,.
