Cruiser stern narrow boat Brand new fit, 25ft Cruiser stern narrow boat. Fully refurbished and full brand new fit out in high quality English oak. Built 1983/4 with full steel construction and now in perfect condition and feels like a brand new boat internally with a fresh new wood smell. This boat has been fitted out to an incredibly high standard with the internal joinery completed by a master joiner. The quality is exceptional and must be seen. Last surveyed in 2014 when it was taken out of the water for refurbishment and there are no signs of pitting and the hull is in sound condition for a vessel of this age with no corrosion. The company who completed the refurbishment has suggested that they would be prepared to make some slight alterations to the interior to accommodate the new owners requirements if so desired. The outside has just been painted and is currently out of the water. She has a brand new gas safety certificate and will have a new BSS boat safety certificate. Many features: Built by Springer. 25" length and 6'9" beam. Brand new 12v fridge and LPG cooker. Blacked July 2015 with new anodes. New gas water heater. Fitted kitchen.
