JOE Tri coloured 5yrs 16.2hh Gelding - Part loan/sharer - Hayling Island, Irish, General, 5-6 years, Gelding, 15+HH, Coloured, PART LOAN ** Joe stunning tri coloured 5 yr old 16.2hh Hayling Island **Due to working full time and having college once a week (student vet nurse) it would be nice if someone would like to ride once/twice a week not only to help me but keep Joe busy when I can't be there. We have an outdoor school, jumps available and hacking next to the beach. He's currently ridden 2-3 times a week. He really is an angel, 16.2hh all legs and loves people and other horses. He hacks alone and in company and will always lead the way. I've owned him nearly a year and he's the easiest horse I've ever had. He never bucks, rears, runs out, won't get caught or acts silly. I always have brakes with Joe even in an open space which is lovely. He loves to jump but if you just want to hack or have a schooling lesson that's fine! He's jumped really at shows (working hunter and coloured poles) and came 2nd inhand - this winter he will be doing some dressageA financial contribution would be required but on the day/days you have him he will be your horse to do whatever you want with. He's a great all rounder hack, jump, school or even if you brushed him for two hours he'd be more than happy. He's a true gent Please phone or email 07507805890 £15.00, Hayling Island,.
