SUZUKI BANDIT N600, Suzuki, Tourer, Petrol, Manual, You are bidding for my beloved bandit 600. I have owned the bike for about three years and in that time she has been ultra reliable as a commuter bike through summer and winter. As can be seen from the pictures she has taken a couple of small knocks. She was knocked over while parked up in Gatwick twice! This means that the indicators and wing mirrors do not match. The head light is not original and there is a small tear in the front seat that I have gaffer taped as can be seen in the pictures. The plus points are that she has just sailed through an MOT last week with no advisories. I have replaced the brake pads front and rear to list it and the front discs were replaced a year ago. The chain is in good order and the engine runs smoothly. I am selling the bike as I have just gone through my first summer with a car license and just did not use it, so it's time for someone else to get the best out of her. This bike still has a lot of miles left in her. She has done 33049 which is nothing for these engines and for the year. This is the perfect value big bike or winter hack. I know she does not look that pretty and so she is priced accordingly. £795.00, Matlock, 07043538542. Call: 07043 ... Click to reveal number! Seller is using a privacy number - more
