Nexo PS15R2/RS15/NX242/NXtension-ES, Items included in sale 2 x Nexo PS15R2 Speakers 1 x Castle Cases flight case for PS15's 2 x Nexo RS15 Speakers 2 x Castle Cases flight cases for RS15's 1 x Nexo NX242 Contoller 1 x Nexo NXtension-ES extension card 2 x Camco Vortex 6 Amplifiers 1 x Camco Ethercai interface for wireless amplifier monitoring 1 x Connector Panel 1 x Castle Cases flight case for controller/amps 2 x Ultimex Distance Poles Cables 1 x 10m (4 x 2.5mm) 2 x 5m (4 x 2.5mm) 1 x 5m (4 x 4mm) 2 x 1m (4 x 4mm) 1 x 2m (4 x 4mm) 1 x 15m (4 x 4mm) 2 x 2m (2 x 2.5mm) 1 x 3m Powercon to 13a power lead Up for sale here is my Nexo PA; a fantastic, reliable PA. Each PS15 can be driven with 1.25KW, and each RS15 with 2.4KW, resulting in a total power of 7.3KW. The power to size/weight ratio is astonishing, a 7.3KW PA that can be set up by one person and fit in the back of a small van. The sound quality is 1st rate (goes without saying really) and quality doesn't drop off at high power. A great system from small gigs (2 x PS15's) to large gigs (up to 500 and does outdoor well too). All speakers were bought new (all R2 versions, the current PS series), NX242 (and card) second hand from Fusion, and Vortex 6's second hand (but I believe have both had the heatsink mod - see pics). Camco ethercai was bought new from Gearsource. All flightcases were bought new. £3,400.00,,.
