iPhone 4/4S House of Holland Case by Case Scenario, Free collection or posted for £3 extra, recorded delivery (I will not be held responsible for damaged or lost goods whilst in transit). Second Hand. Very good condition. Has been in use for 2 years and has saved my phone from breaking due to falls countless times! Really good for protection and keeping your phone looking new at the back and saving it the scratches. As you can see from the close up photo, this case does have some hairline scratches on it from wear and tear, but generally cannot be seen unless looking at it closely or in the light. Comes from a non-smokers house, with original box. Serious buyers only when contacting me. Thank you. £3.00,,.
