

Book now for the new season -M Chalet in Davos, Klosters Swiss, sleep 8 max 107 days/ £5,600For December first two weeks from Dec £ 7000/weekthird week £9,000Starting on 28 Dec- 4 Jan -The New Year Eve- £14,000New chalet is a super-exclusive, yet cosy chalet surrounded by meadows and large trees, with lovely views from all rooms. It is conveniently situated about half way between the two main lift stations and is a five minute drive/ fifteen minute walk from the centre of the resort. A complimentary courtesy vehicle is available to take guests to the slopes and to the centre of town in the morning and back in the evening.The chalet is perfect for families or for friends. It can sleep up to eight adults with accommodation comprising of 3 double bedrooms, 3 singles and a bunk room. It is a family retreat with much charm and is one of only a handful of private chalets available to rent in this exclusive resort.This lovely old chalet has been attractively redecorated and refurbished to a high luxurious standard. Eight to ten guests are looked after by an excellent chef and a dedicated housekeeper/hostess, pampering all guests extremely competently.The entrance hall leads to a very large drawing room with a dining area and two sitting areas giving this fabulous open-plan ground floor space with a double height ceiling in one area, all paneled in lovely old wood. The large south-facing terrace runs along space and there is a massive open fireplace in the sitting area.On the same floor is a well-equipped kitchen and a double bedroom with shower, a single bedroom, a bathroom and a separate WC – one of the bedrooms has a charming built-in four poster bed. Upstairs there is a large bedroom suite with a king-size bed, sitting area and a large bathroom. There is an additional bunk bedroom on this floor with a private bathroom.At garden level is a very large, newly decorated double bedroom with direct access to the garden and a large bathroom. There is also a single bedroom and separate sauna shower. This ground floor is where
