PEUGEOT 207 URBAN, SILVER, 2007, Peugeot, 207, Silver, 2007, 63000, 5 doors, Hatchback, Manual, Petrol, 1360, CD player, central locking, electric mirrors, electric windows, power steering, radio, airbags, child locks, I bought this vehicle at the end of July and being brutally honest I just don't like the make of car. I had a Mini before and want to go back to that however wanted a five door car. The car runs very well and the Mot is valid until July 2016. The car has no service history with it or a manual book. The car has age related marks and scratches on the outside they are not noticeable at a glance toy would have to look for them. The inside has been gutted out and I have cleaned all the seats and carpets so it looks great inside now. There are a couple of things missing in the inside but are cosmetic and can be picked up on eBay or a scrap yard for next to nothing. There is a mirror cover missing which I have included in my photos. The car is really great if it a run around you are looking for runs great. } £1,600.00 ono, Aberdeen,.. Call: 07044 ...
