Doggy walk-), Hi, I â€˜m a 32yrs old professional dog walker looking to for new dogs to look after â€¦ I am well experienced in caring for any type animals. My service offers reliability, trust, and my100% care and effort with any type of pet you need: My group walks consist of 2-6 dogs, so that each dog has my full attention, but the dog can be taken on its own depending of the requirement. At the end of the walk, your dog will be delivered back home, exercised and content. If they have gotten wet or muddy on their walk, I will towel dry and wipe their paws. If needed, I can refresh their water and can give them any food or medication if required. I also offer pop-in visits for the cat/small ferries owner who would rather not use a boarding facility. Visits are made daily to feed, refresh water, clean litter trays and a little human time. Pop-in visits are available for Puppies, Senior Dogs or dogs recovering from operations.
