A great chance to buy one of our best sellers the Bailey Approach 740 SE, originally supplied by our company and in great condition throughout. This van has been maintained by our company since new and has been looked after both inside and out. This layout is probably one of the best available, a nice spacious front lounge which allows you to use the drivers and passenger captain seats as part of the seating area. This follows through to the mid kitchen which has the stainless steel 4 burner hob and oven and grill for all your cooking needs. the kitchen is finished off with a stainless steel sink and there is plenty of storage throughout. On the opposite side is the large fridge with separate freezer box and above this is the fitted microwave oven. The van has the benefit of the fitted bedroom to the rear with a double bed set to the nearside and the on suite washroom with cassette toilet, sink, and a separate shower cubicle again finish off this van. Heating and hot water is powered by either gas or 230v and the van is fitted with all the usual extra's you would expect: Blown air, door flyscreen, blinds and flyscreens to all opening windows, etc. The last owners also had the Maxview Satellite dome fitted, Cat 1 Alarm System, Side Steps to the cab, Cycle Carrier, Reversing Camera, Wind Out Awning. A great van throughout and will come to it's new owner with a Service, Habitation PDI, New MOT, Road Fund, and a full handover and demonstration on collection. Don't miss out on this great van - First to see will buy it.
