Vehicle Mechanical Repairs for every type of car. We're Glasgow's specialist in affordable car repairs. At Wheelbearing Services we pride ourselves on the range of affordable car repairs we carry out for our customers. Our vehicle repairs are completed to an extremely high standard and at a MUCH lower cost than franchised garages. We do the job right every time and that's a guarantee. We offer a full range of car and light commercial vehicle mechanical repair services. If your car has just failed an MOT our MOT Repairs service will get you back on the road quickly, without fuss and at a very affordable price. Steering, Suspension and Driveshafts We carry out a full range of suspension and steering repair work. We can service, repair or replace any type of suspension system as well as offering performance upgrades such as upgrading standard components to aftermarket performance options. We can replace or repair any type of driveshaft and carry out CV joint replacement work on all makes of car or van. Braking Repairs We can quickly and affordably replace brake pads, disks and drums on all makes of car and light commercial vehicles. We can diagnose and repair ABS faults too. Replacement Clutches and Gearbox repairs We supply and fit clutches for most makes of vehicle. We only fit brand new quality parts and all of our replacement clutches come with our no-quibble one year guarantee. We also carry out repairs or fit replacement gearboxes to most makes of cars. Tyres and Exhausts We can replace tyres and exhausts on all types of vehicle. We can source replacements for you or you can source your own and we'll fit them while you wait. Call us for a quote. We can do just about anything to your car, all at prices much lower than the big garages. So if you're in Glasgow and are looking for an affordable, reliable garage to look after your car give us a call on 0141 550 2668.
