

PC REPAIRS AT YOUR LOCATION

Location

South West, Hampshire

<https://www.freeadsz.co.uk/x-167304-z>

Problems with your operating system? Virus compromised your computer? Busy schedule? Working until the afternoon?

It can be fixed, give me a call with your issue, I will drive to your location at your preferred time.

No fix no pay! Windows re-install 25£. Data recovery 15£. Other jobs pre-negotiated.

Networking issues? Can fix your devices to communicate over wi-fi or cables. Server related issues as well. Call or email with as much details as possible, I will fix it. 10+ years of experience, serious, fast and reliable!

If you have a hardware problems, most likely your machine will fail to start. That requires an on-site inspection to figure out what's wrong, and order a new part. If you just want to upgrade your machine, I can help you with the set-up as well as consultancy on what and where you should buy, based on your budget and.
