Dear Sirs, This is Gentleman's Personal Styling. If you ever struggled with: - what (clothing) goes with what (accessories); - whatâ€™s the matter with matching sizes, colours and fabrics together; - the point in those catwalks for men because you didn't like it; - a forthcoming special occasion attire; - neckties styles and choice; - shirts styles and choice; - waistcoats styles and choice; - jackets styles and choice; - trousers styles and choice; - shoes styles and choice; - any other clothing concern and you thought that's only available in Savile Row then please contact me. You can't have anything better than a Personal Style Adviser for your everyday style and needs. I'm a Gentleman's Sartorial Adviser enthusiast with a degree in Fashion Design who is never tired of giving that extra bit to make the day as rewarding as one has to feel in his own style. I have always been on the side of Gentleman's good looks, let me see, it's nearly 12 years now. Whether you are going out to meet friends, just an outing or to that special event there is always that personal feel for sartorial comfort and freshness one has to take out with himself when stepping out of home. And believe me one makes his first impression always with his clothes. Do not adopt a mismatched look - be yourself in your own sartorial skin!!!! Interested? Then go ahead and send me your clothing concerns, because you may have them no more. Your Sartorial Adviser, Kaloyan
