Double electric ovens, (x1 large x1 smaller). x5 gas rings, assorted sizes. Door of large oven needs new seal and adjustment. This item needed a good clean when removed, (working), and has also been out in garden (covered) for some time, so will need a really good clean ! but a bargain for someone willing to put in the elbow grease ! It is large and heavy, so will require at least x2 strong people to carry, -sorry can't.
