For sale is our much loved Campervan, it is with great reluctance that we are selling as a change in our circumstances forces the sale.

Below is a brief description highlighting some of the great features that this van offers:

It is around 7 metres in length so manoeuvrability is not too bad whilst offering ample living space. I would describe the condition as being excellent with usual marks commensurate with age.

Some of the specification is as follows:

Diesel fired pulsar air central heating, Alko chassis, air suspension, solar panel, tow bar, large fridge freezer, gas oven, gas hob and grill. Separate shower and Thetford swivel toilet, vanity sink with large illuminated mirror. The double bed lifts up providing plenty of storage space on top of the many cupboards situated around the van. Fly screens and silver screens, fly screen to door. Sleeps four comfortably and has four seat belts. Brand new flat screen TV, separate radio and CD player in living area. Mileage is 65,000 with full service history. Four good tyres, drives perfectly also includes rear bike rack. It has a scooter rack and scooter but this will be sold separately. MOT to January, currently on disabled tax.

Please leave me your phone or email and i will contact.
